Disclaimer: If this document confuses and scares you, and you don't understand what it is, read this guide until you feel better. The following list is not to be considered a canonical record of Mobile Task Forces within the Foundation universe. It is intended as a tool for writers, and is not considered 'official' by any stretch of the
imagination. If you spot an MTF that's not on this list ...

Trigger points are medically neglected because medicine has always had many much bigger fish to fry, and musculoskeletal medicine has only just recently started to get any real attention.25 Chronic pain with no obvious cause is a relatively unstudied epidemic, and not many doctors know what to do with it or even try. If trigger points are a muscle tissue dysfunction or pathology — which is ...

One thing blogging and good copywriting share is a conversational style, and that means it’s fine to fracture the occasional rule of proper grammar in order to communicate effectively. Both bloggers and copywriters routinely end sentences with prepositions, dangle a modifier in a purely technical sense, or make liberal use of the ellipsis when an EM dash is the correct choice—all in order ...
