Journal Mission

The Business Case Journal was established by the Society for Case Research to publish cases and research related to case writing or teaching with cases. All cases and teaching notes are subject to editorial review, as well as to a triple blind review process.

Society for Case Research - Business Case Journal

International Journal of Business and Economics Research (IJBER) serves as an essential resource and provides practical information for people who apply economics on their jobs. The aim of IJBER is to publish research articles on business and economics sciences, and other social sciences that are related to business and economics for contributing to the international social sciences literature.
