ACA: Preventive Care Coverage Requirements. Section 2713 of the Public Health Service Act (the “Act’), as added by the Affordable Care Act (“ACA”), requires group health plans and health insurance issuers that are not grandfathered health plans to provide a wide array of preventive care items and services with no cost-sharing.

Recent data suggest that inflammatory bowel disease (IBD) patients do not receive preventive services at the same rate as general medical patients. Patients with IBD often consider their gastroenterologist to be the primary provider of care. To improve the care delivered to IBD patients, health...

$0 Preventive Services | Independent Health
Preventive healthcare (alternatively preventive medicine, preventative healthcare/medicine, or prophylaxis) consists of measures taken for disease prevention. Just as health comprises a variety of physical and mental states, so do disease and disability, which are affected by environmental factors, genetic predisposition, disease agents, and lifestyle choices.
