Theory of Change (ToC) is a specific type of methodology for planning, participation, and evaluation that is used in the philanthropy, not-for-profit and government sectors to promote social change. Theory of Change defines long-term goals and then maps backward to identify necessary preconditions. Theory of Change explains the process of change by outlining causal linkages in an initiative, i ...

Carol Dweck’s concept of Mindset permeates through every aspect of our lives. One area particularly affected is in the workplace. We spend half of our day at work (some of you likely spend more than half) and both your mindset and the mindset of those around you will have a significant impact on your life, especially the mindset of your boss.

Carol Dweck on Creating a Growth Mindset in the Workplace
