Writing A Journal Article by Verso Books

**Writing A Journal Article**
Writing therapy is a form of expressive therapy that uses the act of writing and processing the written word as therapy. Writing therapy posits that writing one's feelings gradually eases feelings of emotional trauma. Writing therapeutically can take place individually or in a group and it can be administered in person with a therapist or remotely through mailing or the Internet.

But emojis have a “useful ambiguity,” says Mark Davis, the president
and co-founder of Unicode, the group charged with defining the characters for all :iphone: :computer: —including emoji characters. He believes they are best used as an “adjunct” to text—especially in social media—helping to make up for the lack of gestures, facial expressions and intonation found in speech.
